

ROSE MOUTH

GINGIVARIUM WITH MYRRH & RHATANY

Muco-adhesive oral gel for mouth ulcers and gingivitis.

Anti-inflammatory, anesthetic, healing, antibacterial, antiviral and antifungal actions.

METHOD OF USE

Apply 2–3 drops directly on affected areas 3 times a day without rinsing. If necessary, you can use a cotton swab to apply the product to hard-to-reach areas, or alternatively, put the product on a finger and massage it into the affected area. For children, use only for touch-ups.

INGREDIENTS

MYRRH FLUID EXTRACT 10%: antibacterial healing action.

RHATANY FLUID EXTRACT 10%: astringent and anti-inflammatory action due to the high concentration of tannins.

PLANTAIN FLUID EXTRACT 10%: soothing and anti-inflammatory effect due to the mucilage.

TEA TREE OIL: antibacterial, antiviral, and antifungal action.

MINT ESSENTIAL OIL: refreshing and local anesthetic effect.

PRESERVATIVE-FREE

I.N.C.I.: Alcohol, Aqua, Cellulose gum, Melaleuca alternifolia oil, Mentha piperita oil, Commiphora myrrha resin extract, Krameria triandra root extract, Plantago major extract, Alpha-terpinene, Terpineol, Pinene, Terpinolene, d-Limonene, Limonene, Beta-caryophyllene, Camphor, Geraniol, Linalool.

PACKAGING

30 ml glass bottle with dropper.
