

CELESTINA

EUDERMIC AND PROTECTIVE BLUE CHAMOMILE CREAM

Moisturizing and soothing cream it is a good alternative to topical corticosteroids.

Recommended for various types of itching (including insect bites), redness, rashes (including diaper rash), sunburn, dermatitis, psoriasis, and eczema.

Local soothing and anti-inflammatory action, as well as protective moisturizing.

Formulated with a natural emulsifier providing an hydrating effect, it has a pleasant texture, very pleasant on the skin. It can also be used on the face as a moisturizer, as well as for small children. Dermatologically tested and allergen-free.

METHOD OF USE

Apply 2-3 times a day to the affected areas, massaging lightly until completely absorbed.

INGREDIENTI

GLYCYRRHETIC ACID: cortisone-like, providing local anti-inflammatory and soothing action.

ALOE VERA GEL: moisturizing, soothing, and healing action.

SHEA BUTTER: eudermic, hydrating action. The unsaponifiable fraction in which it is rich, is very similar to skin lipids, thus promoting the restoration of the skin's hydrolipidic film and consequently hydrates and donate a protective effect.

CANDELILLA, JOJOBA, AND RICE WAXES: these are active components of the emulsifier providing a long-lasting hydrating effect.

BLUE CHAMOMILE ESSENTIAL OIL: contains azulene, which provides a local soothing and anti-inflammatory action.

VITAMIN E.

FREE FROM parabens, petrolatum, or EDTA.

THIS PRODUCT HAS BEEN DERMATOLOGICALLY TESTED AT THE UNIVERSITY OF FERRARA.

I.N.C.I.: Aqua, Aloe barbadensis leaf juice, Butyrospermum parkii butter *, Helianthus annuus seed oil, Dicaprylyl ether, Cetearyl alcohol, Glycerin, Cetyl alcohol, Candelilla/jojoba/rice bran polyglyceryl-3 esters, Glyceryl stearate, Sodium stearoyl lactylate, Tocopherol, Scleroglucan, Glycyrrhetic acid, Aloe barbadensis leaf extract, Phenoxyethanol, Xanthan gum, Tetrasodium glutamate diacetate, Sodium dehydroacetate, Benzoic acid, Dehydroacetic acid, Chamomilla recutita flower oil, Linalool, Limonene, Terpeneol, Ethylhexylglycerin, Linalyl acetate, Citrus limon peel oil, Geraniol, Citral.
