

BRICKLAYERS' CREAM

REPAIRING HAND CREAM FOR CRACKED, ROUGH SKIN

Particularly suitable for **small cracks on the fingers, small cuts, and rough, hardened skin from the cold and manual labor.**

It heals and soothes small cracks, moisturizes, and softens.

Original recipe from the Tozzi Tuscany pharmacy, 1886.

METHOD OF USE

Apply after soaking your hands in warm water and drying them slightly damp, 2-3 times a day.
