

FOR THE LEGS

CREAM FOR SWELLY AND HEAVY LEGS

Gel emulsion, i.e., aqueous gel with an emulsified lipid phase retaining the freshness and lightness of a normal gel, while also containing oils that give consistency to the cream, thus facilitating the penetration of the fat-soluble ingredients, and preventing to drying out the skin. **It has a vasotonic effect, meaning it improves the tone and elasticity of the venous walls, thus facilitating circulation and alleviating symptoms related to venous stagnation, swollen legs, varicose veins, and a feeling of heaviness in the lower limbs.** The gel's cooling effect relieves the sensation of heat and heaviness. Contains essential oil allergens (limonene, eugenol, linalool, geraniol).

METHOD FOR USE

Apply to legs and ankles, massaging gently from bottom to top, twice a day.
It absorbs quickly. Do not apply to the face or touch your eyes after using the cream.

INGREDIENTS

ESCIN LIPOSOME 2%: escin is the active ingredient of horse chestnut, here in liposome form. A particular combination with phospholipids (beta-asitosterol) very similar to cell membranes and therefore permits a greater penetration of the active. Vasotonic effect.

BUTCHER'S BACKGROUND GLYCOLIC EXTRACT 4%: also known as Butcher's Broom, its ingredient is Ruscogenin, an active with venotic and vasoconstrictive properties. This effect affects not only the veins but also the arterial capillaries, where the strengthening of the endothelium makes them less permeable.

CENTELLA GLYCOLIC EXTRACT 4%: provides a Venotonic action and stimulate the collagen synthesis, which strengthens the vascular endothelium and the consistency of the dermis.

MENTYL LACTATE: menthol derivative with a long-lasting refreshing effect.

BLEND OF NATURAL ESSENTIAL OILS OF PINE AND LAVENDER: refreshes and stimulates circulation.

FREE FROM EDTA, parabens, or petrolatum.

I.N.C.I.: Aqua, Dicaprylyl ether, Propylene glycol, Isopropyl myristate, Glycerin, Alcohol, Menthyl lactate, Phenoxyethanol, Menthol, Carbomer, Centella asiatica extract, PPG-26-buteth-26, Ruscus aculeatus root extract, Acrylates/C10-30 alkyl acrylate crosspolymer, PEG-40 hydrogenated castor oil, Phospholipids, Sodium dehydroacetate, Tetrasodium glutamate diacetate, Parfum, Benzoic acid, Limonene, Lavandula hybrida oil | Lavandula oil/extract, Dehydroacetic acid, Pinene, Linalool, Linalyl acetate, Citrus limon peel oil, Eucalyptus globulus leaf oil | Eucalyptus globulus oil, Ethylhexylglycerin, Citrus aurantium dulcis peel oil | Citrus aurantium peel oil, Escin, Rosmarinus officinalis leaf oil, Citrus aurantium bergamia peel oil, Turpentine, Eugenia caryophyllus leaf oil | Eugenia caryophyllus oil, Eugenol, Pogostemon cablin oil, Beta-caryophyllene, Camphor, Beta-pinenes, Terpinolene, Pinus mugo leaf oil | Pinus mugo, Alpha-terpineol, Terpineol, Menthyl salicylate.

PACKAGING

50 ml aluminum tube + outer box.
