

PIANIST CREAM

MOISTURIZING, REGENERATING, AND SOOTHING CREAM FOR DELICATE HANDS

Light moisturizing and soothing hand cream, easily absorbed with a pleasant, velvety texture due to the use of a natural emulsifiers providing an effective hydrating action, as well as thanks to the use of natural eudermic oils and waxes.

METHOD OF USE

Apply 2-3 times a day.

INGREDIENTS

ALOE VERA GEL: soothing, healing, and moisturizing action.

PANTHENOL: vitamin B5 promotes the regrowth of epidermal cells. It has a re-epithelializing, emollient, and soothing effect.

SHEA BUTTER: eudermic, moisturizing action. The unsaponifiable fraction in which it is rich is particularly similar to skin lipids, thus promoting the restoration of the integrity of the skin's hydrolipidic film and consequently hydration and protective effect.

COCOA BUTTER: moisturizing and protective action.

JOJOBA OIL: moisturizing, regenerating, and nourishing action. Similar to skin lipids. It is particularly resistant to oxidation and rancidity.

FREE FROM parabens, petrolatum, or EDTA.
